

## Login to System

To get started using the Hardhat system, you must first login by entering your User ID and Password. If there are multiple companies within your company using Hardhat, below describes the different ways you can log into the Hardhat system.

If your company has only ONE company using Hardhat your login screen will look like this:

A screenshot of a Windows-style login window titled "Hardhat Login". The window has a dark gray background with a subtle gradient. At the top center is the Hardhat logo, which consists of a yellow hard hat icon and the text "HARDHAT inc. SOFTWARE" in a bold, black, sans-serif font. Below the logo is the tagline "Your Custom Fit Software Solution" in a smaller, black, sans-serif font. In the center of the window, there are two input fields. The first is labeled "User ID:" and contains the text "JOHN". The second is labeled "Password:" and is empty. At the bottom of the window, there are two yellow buttons with black text: "OK" on the left and "Cancel" on the right.

If there are MULTIPLE companies using Hardhat your login screen will look like this:

Enter your User ID and Password, then select your company unless you want to log into your default company at which point you will just click OK or hit Enter.

Hardhat Login

**HARDHAT** inc. SOFTWARE  
Your Custom Fit Software Solution

User ID: PARYA Password:

Company: RUSHING MECHANICAL CONTRS.,,INC

OK Cancel

Congratulations you have successfully logged into the Hardhat System!
